

TechEdTV Podcast & Video Creation from EGLA COMMUNICATIONS

I worked with Alice McLaughlin in a project called "Ask Alice," a multi-platform show on startups and entrepreneurship.

I am preparing a site with all the content created, including videos interviews, so stay tuned for those updates. Here we can find two interviews for: More Equal Studios & Bliss Mechanics Academy.

<https://soundcloud.com/user-268730509/sets/more-equal-studios>

<https://soundcloud.com/user-268730509/sets/bliss-mechanics-podcast>

Here a sample video on what it will look like, all in preparation for new shows like TECHED TV.
